

**Program A: Sheriffs' Housing of State Inmates****OBJECTIVES AND PERFORMANCE INDICATORS**

Unless otherwise indicated, all objectives are to be accomplished during or by the end of FY 2002-2003. Performance indicators are made up of two parts: name and value. The indicator name describes what is being measured. The indicator value is the numeric value or level achieved within a given measurement period. For budgeting purposes, performance indicators are shown for the prior fiscal year, the current fiscal year, and alternative funding scenarios (continuation budget level and Executive Budget recommendation level) for the ensuing fiscal year of the budget document.

The objectives and performance indicators that appear below are associated with program funding in the Base Executive Budget for FY 2002-2003. Specific information on program funding is presented in the financial section.

<sup>1</sup> Some localities receive an additional \$1.25 per day based on legislation

<sup>2</sup> The Florida Department of Corrections received no specific appropriation for county jail beds; funds are currently paid from the diversion bed appropriation at \$32 per day.

<sup>3</sup> Inmates are housed in jails only until space is available in the state prison system for the inmate (temporary short-term option only).

<sup>4</sup> All facilities are reimbursed at a flat rate of \$22.39 per day except for Work Release facilities operated by the Sheriffs, which are reimbursed at \$18.25, and four parishes that earn an additional \$7.00 per inmate per day through approved cooperative endeavors to provide and capitalize additional beds for the state. All parishes are also eligible to have approved extraordinary medical expenses reimbursed. Orleans Parish is also reimbursed an additional \$2.00 per diem for medical expenses for state inmates and \$7.00 for all inmates served by their mental health unit and \$3.00 per day for the Intensive Incarceration and Parole Supervision Program.

<sup>5</sup> The average reimbursement rate is \$50 per day; however, the rates vary among the facilities.

<sup>6</sup> Inmates perform work duties at these facilities, therefore there is no reimbursement.

<sup>7</sup> Tennessee uses four methods of reimbursement: contract agreements, reasonable allowable (not to exceed \$35.00 per inmate per day), fixed rate, or a flat rate of \$25.00 per inmate per day. Of the \$35 reimbursement, \$3.30 is for extraordinary medical expenses.

<sup>8</sup> All full service local and regional jails are provided the same per diem rates (\$8.00 per diem for local inmates and \$14.00 per diem for state felons plus personnel costs). Local jail farms, which hold minimum security inmates for various work programs receive \$22.00 for local inmates and \$28.00 for state felons as a per diem and no personnel money.

<sup>9</sup> County Jails - \$25 per day, excluding medical costs. State Regional Jails - \$39.50 per day including medical costs.

<sup>10</sup> Represents a total for the southern region
